

## IVSA response graph.xls

Copy and paste the data from the Access query **Response graph** (→ **Excel**) (by selecting the top rows) into the top left of the **IVSA response DATA** worksheet. The graphs will update automatically. There are some full-screen graphs and some in a worksheet for easy pasting into Word at a sensible size (*Copy // Paste Special // Float above text OFF*).

*Or you can easily split it into chunks:*
